

PRODUCT SPECIFICATION

PRODUCT C.I. NAME. : IRIS GREEN 4001
(C.I PIGMENT GREEN 7)

C.I. NO. : 74260
CAS NO. : 1328-53-6

Common Chemical Name : None
Synonyms : Self Dispersing of C.I.
Pigment Green 7

Molecular Formula : Mixture
Chemical Family : Pigment Dispersions
Molecular Wt. : Not Applicable

Chemical Name : CAS
C.I. Pigment Violet 23 : 1328-53-6
Color : Blue
Form/ Appearance : Powder
Odor : Odorless
Pigment Contents : 50%

Nature:- Iris Green 4001 Colorants are pre-dispersed with anionic dispersing agent of organic & in-organic Pigments which all are water dispersible.

Physical Form:- Micro Fine powder

Storage:- Keep in dry place, the shelf life is one year.

USES:

- ▶ Architectural Coatings
- ▶ Textiles pastes
- ▶ Building material (cement)
